Subject: Microsoft Settlement

I believe that the microsoft settlement is a bad idea. It fails to address many issues, please see Dan Kegel's open letter for a summary of why it is bad for the free software community, one of Microsoft's most important and most frequently ignored competitors.

http://www.kegel.com/remedy/letter.html

I am a free software development, a researcher, and a computer science student at the Ohio State University.

peace,

Michael Isaac Jones.
